Payment of the Standard Installation Fee of \$_____, plus one full month, is due with execution of this contract. The prorated portion of the customers first month will be charged as the second month of service. The Standard Installation Fee includes installation of outside equipment/antenna and CAT5 cabling through an exterior wall to the customer network. in a normal single story building. Basin Broadband, assumes responsibility for providing service to the customer router or switch only. If additional equipment or installation labor is required, Customer will be advised and approval will be obtained prior to completion of installation, and the additional cost will be invoiced. Invoices are generated around the 15th of month for the upcoming month. Payment will be due on the first of the month for each following month. If payment is not received by the 10th of the month, a late fee of \$25 will be assessed to your account. If payment is not received by the last day of the month, service will be interrupted until your account is brought current.

All use of Basin Broadband, Inc.'s Network and the service must comply with the then-current version of Basin Broadband's Acceptable Use Policy ("AUP") which is made a part of the Agreement and is available at the following URL: www.basinbroadband.com/aup.htm. Basin Broadband, Inc. reserves the right to amend the Policy from time to time, effective upon posting of the revised Policy at the URL or other notice to the Customer. Basin Broadband, Inc. reserves the right to suspend service or terminate this Agreement effective upon notice for a violation of the Policy. Customer agrees to indemnify and hold harmless Basin Broadband, Inc. for any losses, damages, costs, or expenses resulting from any third party claim or allegation ("Claim") arising out of or relating to use of the service, including any Claim which, if true, would constitute a violation of the Policy.

No billing is made before installation is completed and connection is verified. The Customer retains the right to cancel service at any time. We keep customers by providing superior service, not by forcing long-term contracts!
